

THE GREATEST

**ULTRA
ADVANCED**

Our patent pending Ultra Delivery System™ (UDS) creates ultra small CBD particles for higher and more rapid absorption. You'll immediately feel the difference.

**ULTRA
SMALL**

Our Ultra particles are 100 times smaller than regular CBD molecules.

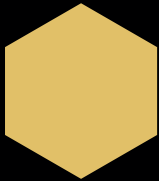

**ULTRA
ABSORPTION**

CBD molecules typically have a low absorption rate due to its size. Our ultra small particles allow the body to absorb 700% more CBD.

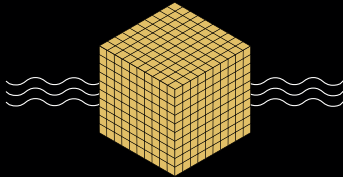

**ULTRA
FAST**

Our higher absorption rate allows you to feel the benefits of CBD at an ultra fast rate.

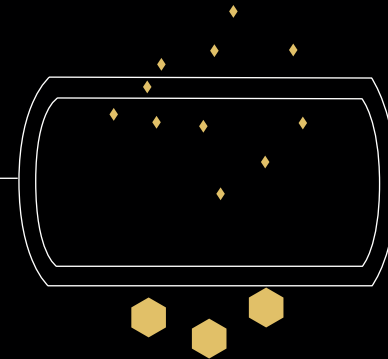

Regular CBD Molecule
Size: 5000-7000 nm
